

# GOLF/MINI GOLF TOURNAMENT

SPONSORSHIP OPPORTUNITIES

LOCATION: MANITOU BEACH GOLF COURSE

DATE: SEPT. 11, 2024

**Who should attend? This event is for anyone involved in the water industry and trades, such as plumbers, electricians, operators, town foreman, community councillors and anyone who wants to network with any of the above in the trades industry.**

# ABOUT THE EVENT

The golf tournament will be held at the same time as the mini golf event. AMS wanted to create networking opportunities for our current clients and those in the industry of trades to create connections while having some laughs and good times. Not everyone is a golfer, no golf skill is required to participate. AMS is offering both options to give the choice of preference for which event is attended.

Both events will be held at Manitou Beach - the mini golf is across from the golf course. A putting game will be set up for the mini golfers to practice at until they head over to the course for a round of mini golf. At 3:00pm everyone will meet and network, chat about the day, get some prizes and enjoy a fantastic steak supper.

While on the course golfers will have the opportunity to grab an amazing burger and the mini golfers will get to sit and chat while enjoying the burger prior to the mini golf tournament start.
